

BIOcab
FOCUS FORWARD

Introduction :-

BIO CAB Group is one of the fastest growing Electrical Company in India, since last two decades. We are a leading manufacturer of wide range of Electrical products for House Hold & commercial Agricultural and Industrial use. The company has established its position as a front in this business due to reliable and quality products, reflected in its approval from customers on stringent technical and safety requirements.

Our products are manufactured by using latest technology with state of the art well equipped plant, R & D facility and experienced, Dedicated work force. Our belief lies in growing stronger and better to give the best quality to our customers.

Raw Material :-

Quality of product depend on the quality of incoming Raw material. Quality of incoming material is checked as per IS specification & ISO standard by lot wise sampling. All the equipment used for testing are calibrated and well maintained for getting satisfactory results.

Process Inspection :-

The firm believe in "Total Quality Management " in the entire process. our endeavors is to prevent defectiveness during process. Tools used for process inspection are calibrated and well maintained. This is achieved through regular inspection and check at different stages of production.

Final Testing :-

The Final products are tested for compliance as per I.S.I. and I.S.O. Standards/Specifications. Routine, type and Acceptance tests are carried out in a well equipped laboratory in accordance with the methods given in the BIS specifications. All Apparatus, Measuring instrument are periodically checked & calibrated by NABL accredited lab. All records of tests, inspection and calibration are kept in suitable forms.

Packaging :

We are using different type of Unique packaging for BIO CAB Products. These are available in boxes, Attractive easy to carry Bags and Cartons. As the BIO CAB Products are popular with our customers, Dealers, we have constant threat for our duplicators, who want to Utilize our Brand Name for earning money and spoiling our name. To stop this practice we use hologram on all our BIO CAB products.
